## Let's get started using 4HOnline!

Family profile and member information should be entered by a parent/guardian unless the member enrolling is 18 years or older.

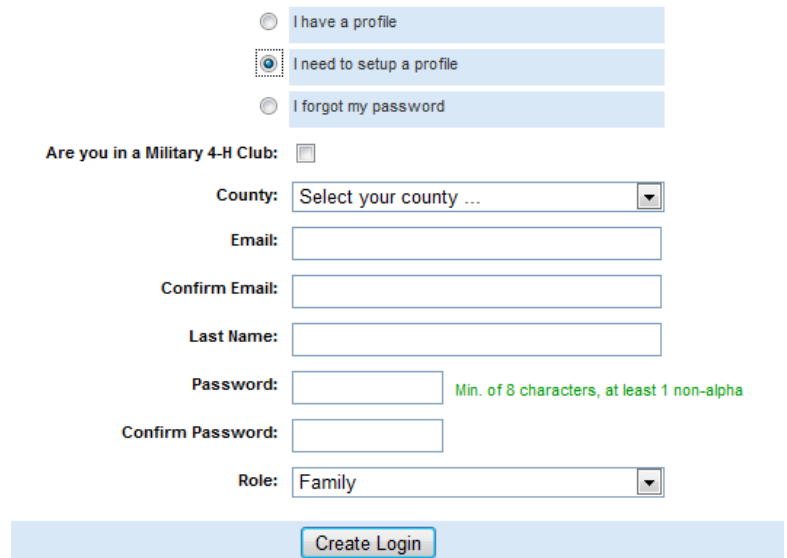

Go to <http://wi.4honline.com> (notice there's no "www" in that address). After carefully reading the instructions at the top of the page, you are ready to begin entering your family information.

**Note:** To move between boxes, you need to use your mouse or the TAB key. Don't press the ENTER key or click on the BACK ARROW – you will lose any information that you have entered. Information on each page is saved when you click on the "Continue" button.

1. Click "I need to set up a profile". A drop down menu will appear. Select the county you want to join, then type in your **valid** family e-mail address.

**The E-mail address entered will be the account login for the entire family.** It must be valid in order for you to have access to your enrollment information.

2. Confirm your e-mail address
3. Type in your parent/guardian/household's last name. (This will be the name that appears on mailing labels—"The Johnson Family" for example.)
4. Create your password – must include letters and numbers/symbols with a minimum of 8 characters.
5. Click on "Create Login"

The screenshot shows a registration form with the following elements:

- Three radio buttons for profile selection: "I have a profile", "I need to setup a profile" (which is selected), and "I forgot my password".
- A checkbox labeled "Are you in a Military 4-H Club:" which is currently unchecked.
- A "County:" dropdown menu with the text "Select your county ...".
- An "Email:" text input field.
- A "Confirm Email:" text input field.
- A "Last Name:" text input field.
- A "Password:" text input field with a green note: "Min. of 8 characters, at least 1 non-alpha".
- A "Confirm Password:" text input field.
- A "Role:" dropdown menu with "Family" selected.
- A blue "Create Login" button at the bottom.

I am aware of the risks of participation, which include, but are not limited to, the possibility of physical injury, fatigue, bruises, contusions, broken bones, concussion, paralysis, and even death. I understand that the county and university have advised me to seek the advice of my physician before participating in my enrolled county's 4-H Youth Development program. **IMPORTANT!! - please read this BEFORE deleting a Club:**

When deleting a club, all Project enrollments associated with that Club will also be deleted. If you are unsure of how this will affect you, click on the "Projects" tab and take note of your Projects and which Club they are associated with. If you desire, for example, to switch Clubs, it would be advisable to first add the new Club, then add the desired Projects using the existing enrollment as reference. Once all your desired Projects are in place with the new Club (you'll see your Projects listed twice in the Projects listing) then go and delete the original Club.

**Enrollment Approval**

After your enrollment has been submitted, it is sent to your club leader and the UW-Extension office to be approved. If there are any problems with your enrollment, such as incorrect or missing information, you will get an e-mail or phone call asking you to complete the missing information and resubmit the enrollment. If there are no problems, you will receive an e-mail stating that your enrollment has been accepted. E-mails related to your enrollment will be sent to your family e-mail address. If you do not receive an e-mail from 4HOnline in your inbox, please check your junk mail folder.

**Use 4HOnline Throughout the Year**

Keep your login (family email address) and password handy so that you can log in to the program and update your records whenever you need to.
