

# 4-H Cloverline Article Submission Form

The Cloverline is a bi-monthly publication that is used to communicate important information to 4-H families. Sometimes leaders have important details to share with our members and the Cloverline is an appropriate tool to use.

If the information is relevant to only a particular group, then it's best to email, or use another appropriate form of communication, the intended audience (project, club, committee, etc. members) directly. All countywide events will automatically be included in the calendar of events.

If the information is relevant to a majority of families then submit the content below to Ginny Bichler at [ginny.bichler@ces.uwex.edu](mailto:ginny.bichler@ces.uwex.edu) by the appropriate deadline and your article will be considered for inclusion.

## **Cloverline Article Submission Deadlines:**

September/October Issue – August 1

November/December Issue – October 1

January/February Issue – December 1

March/April Issue – February 1

May/June Issue – April 1

July/August Issue – June 1
